NEWS RELEASE

Alico Assesses Hurricane Damage

Crop Loss Covered Under Federal Crop Insurance Program

La Belle, FL., October 26, 2005 -- Alico, Inc. (NASDAQ:ALCO), one of the South's best-known agribusiness companies operating in Central and Southwest Florida, reported damages were incurred from hurricane Wilma, a category three hurricane that swept through southwest Florida on Monday, October 24, 2005.

John R. Alexander, Chairman and CEO of Alico, Inc. said, "We have sustained damages to a number of structures and crops in Hendry and Collier Counties including sugarcane, citrus and vegetables due to hurricane Wilma. We are currently in the process of assessing the extent of the damage. We should have a reasonable estimate within the next several weeks. The sugarcane and citrus crops were insured under the Federal Crop insurance program. There were no major damages to our Polk County operations."

About Alico

Alico, Inc., an agribusiness company operating in Central and Southwest Florida, owns approximately 136,500 acres of land located in Collier, Hendry, Lee and Polk Counties. The company is involved in various operations and activities including citrus fruit production, cattle ranching, sugarcane, sod production, and forestry. The Company also leases land for farming, cattle grazing, recreation and oil exploration, and is increasingly involved in exploring real estate development in and beyond its holdings.

Statements in this press release that are not statements of historical or current fact constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve known and unknown risks, uncertainties and other unknown factors that could cause the actual results of the Company to be materially different from the historical results or from any future results expressed or implied by such forward-looking statements. The forward-looking statements contained herein are also subject generally to other risks and uncertainties that are described from time to time in the Company's reports and registration statements filed with the Securities and Exchange Commission.
