Notice of Annual Meeting of Shareholders
To be held February 24, 2022

January 17, 2022

Dear Alico, Inc. Shareholders:

The Annual Meeting of Shareholders (the “Annual Meeting”) of Alico, Inc. (the “Company” or “Alico” or referred to as “we”, “us” or “our” in this Notice and Proxy Statement) will be held at the offices of Trenam Law, 101 East Kennedy Boulevard, Suite 2700, Tampa, FL 33602 on February 24, 2022, at 9:30 a.m. Eastern Standard Time, for the following purposes:

1. To elect the 9 nominees named in the attached Proxy Statement as Directors to serve on our Board of Directors. If elected, these 9 Directors will serve until the next Annual Meeting or until their respective successors have been elected and qualified;
2. To ratify the Audit Committee’s selection of RSM US LLP as the Company’s Independent Registered Public Accounting Firm for fiscal year 2022; and
3. To transact any other business as may properly come before the Annual Meeting or any and all adjournments thereof.

Our Board of Directors has fixed the close of business on December 31, 2021, as the record date for determination of the shareholders entitled to notice of, and to vote at, the Annual Meeting. Only shareholders of record who own stock on the record date are entitled to receive notices about the Annual Meeting and to vote at the Annual Meeting.

We strongly encourage all shareholders, for their own well-being and to reduce the risk of aiding the spread of the current coronavirus (“COVID-19”), to vote their shares prior to the Annual Meeting. Further details on how to vote by internet or by mail are set out in the accompanying proxy statement.

We intend to hold the Annual Meeting in person at the address listed above. However, we are actively monitoring the COVID-19 global pandemic and are sensitive to the public health and travel concerns our shareholders and employees may have and the protocols that governments may impose. If you elect to attend the Annual Meeting in person, we ask that you follow recommended guidance, mandates and

applicable executive orders from federal and state authorities, particularly as they relate to social distancing and attendance at public gatherings. If you are not feeling well, have had close contact (defined as being within six feet for 15 minutes or more without facial covering) with someone who has tested positive for COVID-19, or think you may have been exposed to COVID-19, we ask that you vote by proxy for the meeting. We will require all attendees to comply with the Company's policies in place at the time of the meeting including but not limited to a temperature check, wearing a mask and maintaining appropriate social distance. In the event it is not possible or advisable to hold the Annual Meeting in person, we will publicly announce alternative arrangements for the Annual Meeting as promptly as practicable, which may include holding the Annual Meeting solely by means of remote communication. If we take this step, we will announce the decision to do so in advance by, among other actions, issuing a press release and posting such information on our website.

For the Board of Directors

Richard Rallo

Senior Vice President, Chief Financial and
Accounting Officer, and Corporate Secretary

Your vote is very important to us. Although you are invited to attend the meeting in person, we strongly encourage all shareholders, for their own well-being and to reduce the risk of aiding the spread of COVID-19, to vote their shares prior to the Annual Meeting. If you need directions to the meeting location, you may contact the Corporate Secretary by phone at (239) 226-2000, by email at info@alicoinc.com or by mail at the address above. Whether or not you plan to attend and no matter how many shares you own, please mark your vote on the enclosed proxy card, sign and date it and mail it in the enclosed envelope. If you decide to attend the Annual Meeting in person, please be aware that we expect to be asking you to present your admission ticket for entry to the meeting. Accordingly, if you are attending in person, please tear off the admission ticket from the top half of the enclosed proxy card and bring it and a photo ID with you to the Annual Meeting. If you so attend the Annual Meeting you may vote in person, if you wish, even if you have previously submitted a proxy. You may revoke your proxy at any time before the vote is taken by delivering to the Corporate Secretary a written revocation or a proxy with a later date or by voting your shares in person at the Annual Meeting in which case your proxy will be disregarded.

Annual Meeting of Shareholders
February 24, 2022

**Important Notice Regarding the Availability of Proxy Materials for the
Annual Meeting of Shareholders to Be Held on February 24, 2022**

**The Proxy Statement and accompanying 2021 Annual Report to Shareholders are available at
www.alicoinc.com or at *https://materials.proxyvote.com/016230***

General

Our Board of Directors seeks your proxy for use in voting at the Annual Meeting of Shareholders of Alico, Inc. (the “Company”) to be held on Thursday, February 24, 2022 at 9:30 a.m. Eastern Standard Time at the offices of Trenam Law, 101 East Kennedy Boulevard, Suite 2700, Tampa, FL 33602 (the “Annual Meeting”). This Proxy Statement and proxy card will be mailed on or about January 20, 2022 to all holders of common stock entitled to vote at the Annual Meeting.

We have enclosed with the Proxy Statement our 2021 Annual Report to Shareholders for fiscal year 2021, which includes our Annual Report on Form 10-K for fiscal year 2021, and which in turn includes our audited financial statements for fiscal year 2021. The 2021 Annual Report to Shareholders (and the related Annual Report on Form 10-K included therein) does not constitute any part of the material for the solicitation of proxies.

Record Date

Holders of shares of our common stock as of the close of business on December 31, 2021, the record date, may vote at the Annual Meeting either in person or by proxy. At the close of business on December 31, 2021, there were 7,540,932 shares of our common stock outstanding and entitled to vote on each matter properly brought up at the Annual Meeting. The common stock is our only authorized voting security, and each share of common stock is entitled to vote at the Annual

Meeting. A shareholder of record giving a proxy may revoke it at any time before the vote is taken by delivering a written revocation or a proxy with a later date to the Corporate Secretary or by voting his or her shares in person at the Annual Meeting.

Purpose

At the Annual Meeting, the shareholders will be asked to vote on the following proposals:

Proposal 1: Election of 9 nominees named in this Proxy Statement to serve on our Board of Directors.

Proposal 2: Ratification of the Audit Committee's selection of RSM US LLP as our independent registered public accounting firm for fiscal year 2022.

Difference Between Holding Shares as a Shareholder of Record and as a Beneficial Owner

If your shares are registered directly in your name with our transfer agent, Computershare, you are considered the shareholder of record with respect to those shares. The Proxy Statement, the enclosed proxy card and the 2021 Annual Report to Shareholders have been sent directly to you.

If your shares are held in a stock brokerage account or by a bank or other nominee, those shares are held in "street name" and you are considered to be the "beneficial owner" of those shares. As the beneficial owner, you have the right to instruct your broker, bank or other holder of record how to vote your shares. The Proxy Statement, the 2021 Annual Report to Shareholders and other materials have been forwarded to you by your broker, bank or other nominee, who is the shareholder of record. You will receive separate instructions from your broker, bank or other holder of record describing how to vote your shares.

Voting Your Shares

Each shareholder has one vote per share. If you hold shares in your own name as a shareholder of record, you can cast your vote before the Annual Meeting by authorizing the individuals named on the enclosed proxy card to serve as your proxy to vote your shares at the Annual Meeting in the manner you indicate. You may do so by completing, signing and dating the enclosed proxy card and returning it in the enclosed postage-paid envelope.

If you are a beneficial owner of shares held in street name, your broker, bank or nominee will provide you with materials and instructions for voting your shares.

Uninstructed Shares and Broker Discretionary Voting

Shareholders of Record

If you are a shareholder of record, and you sign and return a proxy card without giving specific voting instructions, the proxy holders will vote your shares in the manner recommended by the Board of Directors on all matters presented in this Proxy Statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owners of Shares Held in Street Name

If your shares are held in street name and you do not provide specific voting instructions to the organization that holds your shares, the organization may generally vote at its discretion on “routine” matters, but not on “non-routine” matters.

The election of Directors is considered a “non-routine” matter; thus, brokers do not have discretionary authority to vote on the proposal to elect Directors if they do not receive instructions from a beneficial owner. Accordingly, if you are a beneficial owner, you must instruct your broker on how you want your shares to be voted on this proposal in order for the votes to be counted.

The ratification of the Audit Committee’s selection of auditor is considered a “routine” matter, thus brokers have discretionary authority to vote on the ratification of the Audit Committee’s selection of the auditor if they do not receive instructions from a beneficial owner.

See the below section titled “Broker Non-votes” for more information on broker discretionary voting.

Broker Non-votes

For shares held by brokers or nominees, your shares will be counted as “broker non-votes” (i) for any “non-routine” items for which you, as the beneficial owner or the person entitled to vote those shares, do not give voting instructions to the brokers or nominees and (ii) for any “routine” items for which the broker or nominee does not submit a vote. The broker or nominee does not have discretionary voting power on non-routine matters under rules applicable to broker-dealers, so the broker is unable to cast those uninstructed shares on “non-routine” items.

A broker “non-vote” with respect to the ratification of the Audit Committee’s selection of auditor will not be counted as a vote “cast” for or against the proposal. Consequently, a broker “non-vote” with respect to the ratification of the Audit Committee’s selection of auditor will not affect the outcome of the vote.

Voting in Person at the Annual Meeting

If you hold shares in your own name as a shareholder of record, you are invited to attend the Annual Meeting and cast your vote at the meeting by properly completing and submitting a ballot at the meeting. If you are the beneficial owner of shares held in the name of your broker, bank or other nominee, you are invited to attend the meeting in person, but in order to vote at the meeting you must first obtain a legal proxy from your broker, bank or other nominee giving you the right to vote those shares and submit that proxy along with a properly completed ballot at the meeting. Notwithstanding the foregoing, we strongly encourage all shareholders, for their own well-being and to reduce the risk of aiding the spread of COVID-19, to vote their shares prior to the Annual Meeting.

How You Can Change or Revoke Your Vote

If you hold shares in your own name as a shareholder of record, you may change your vote or revoke your proxy at any time before voting begins by:

- giving written notice of revocation to our Corporate Secretary at any time before the voting begins; or
- signing and delivering a proxy that is dated after the proxy you wish to revoke; or
- attending the Annual Meeting and voting in person by properly completing and submitting a ballot.

Attendance at the Annual Meeting, in and of itself, will not cause your previously granted proxy to be revoked unless you vote at the meeting.

We must receive your notice of revocation or later-dated proxy at or prior to voting at the Annual Meeting for it to be effective. It should be delivered to:

Alico, Inc.
10070 Daniels Interstate Court
Suite 200
Fort Myers, FL 33913
Attention: Richard Rallo, Corporate Secretary

You may hand deliver a written revocation notice, or a later-dated proxy, to the Corporate Secretary at the Annual Meeting before the voting begins.

If you are the beneficial owner of your shares held in street name and if you wish to change your vote, please check with your bank or broker and follow the procedures your bank or broker provides.

Quorum

The presence at the Annual Meeting, in person or by proxy, of holders of at least 3,770,467 shares (a majority of the number of shares of common stock issued and outstanding and entitled to vote as of the record date) is required to constitute a quorum to transact business at the meeting. Proxies marked “abstain” and broker “non-votes” will be counted in determining the presence of a quorum.

Abstentions

An abstention occurs when a shareholder sends in a proxy with explicit instructions to decline to vote regarding a particular proposal. An abstention with respect to the election of Directors, will not be counted as a vote “cast” for, against, or withheld with respect to any Director nominee. An abstention with respect to any other proposal at the Annual Meeting, including with respect to the ratification of the Audit Committee’s selection of auditor will not be counted as a vote “cast” for or against the proposal, and consequently, an abstention with respect to any of such proposals will not affect the outcome of the vote.

Voting Requirements

Election of Directors

Directors are elected by majority vote, which requires the affirmative vote of a majority of the total votes cast at the Annual Meeting. For a description of our majority voting standard, please refer to the section captioned “Proposal 1: Election of Directors.” You may vote “FOR” or “WITHHOLD” for each nominee. Abstentions and broker non-votes are not counted as votes “FOR” or “WITHHELD” and will not affect the outcome of the election of directors. Shareholders may not cumulate votes in the election of the Directors.

In part as a result of an advisory vote from the 2021 Annual Meeting and based on an evaluation of our corporate governance structures generally, our Board of Directors approved an amendment to our Amended and Restated Bylaws to implement a majority voting standard in the election of directors, except in the event of a contested election, in which case we will revert to a plurality voting standard, the default standard under applicable Florida law. For further description of our majority voting standard, please refer to the section captioned “Proposal 1: Election of Directors.”

Ratification of Independent Registered Public Accounting Firm

To ratify the selection of our independent registered public accounting firm, the “FOR” votes cast in favor of the matter must exceed the “AGAINST” votes cast against the matter. Any shares not voted (whether by abstention, broker “non-votes” or otherwise) will not be counted as votes cast and thus will not have an effect on the outcome of the vote.

Proxy Solicitation — Counting the Votes

We are soliciting your proxy for the Annual Meeting and will pay all costs related to the proxy solicitation process. The cost of preparing, assembling, printing and mailing the Notice of Meeting, this Proxy Statement, and the enclosed proxy card, and the printing of the 2021 Annual Report to Shareholders (which includes the Form 10-K for fiscal year 2021) will be paid by the Company. Following the mailing of this Proxy Statement, directors, officers and regular employees of the Company may solicit proxies by mail, telephone, e-mail or in person; such persons will receive no additional compensation for such services. We will request brokerage houses, bankers and other custodians, nominees and fiduciaries to forward solicitation material to the beneficial owners of our common stock. We will reimburse them for reasonable out-of-pocket expenses they incur for the solicitation.

A representative of our transfer agent, Computershare, will tabulate the votes and act as inspector of election to certify the results.

Attending the Annual Meeting

You must be a holder of Alico shares as of the record date of December 31, 2021 to attend the Annual Meeting; however, we strongly encourage all shareholders, for their own well-being and to reduce the risk of aiding the spread of COVID-19, to vote their shares prior to the Annual Meeting. Further details on how to vote by internet or by mail are set out in this Proxy Statement. If you plan to attend the Annual Meeting in person, please tear off the admission ticket from the top half of the enclosed proxy card and bring it with you to the Annual Meeting to gain access. Please note that seating is limited, and admission will be on a first-come, first-served basis.

If you plan to attend the Annual Meeting in person, you will be expected to bring your admission ticket, along with a valid government-issued photo identification, such as a driver's license, that matches your name on the admission ticket, and to present them prior to being admitted to the Annual Meeting. In addition, you will be required to wear a mask during the Annual Meeting as a result of COVID-19 and for the safety of all in attendance. If you do not have a mask, we will provide you with one prior to entering the meeting. We reserve the right to deny admission to any person who does not bring both a valid admission ticket and photo identification, with matching names.

For security reasons, you and your bags may be subject to search prior to your admittance to the Annual Meeting. Attendees will not be permitted to bring food or beverages, cameras, camera phones, cell phones, recording equipment, electronic devices, computers, large bags, briefcases, weapons (including any item we may deem to be a weapon, in our sole discretion) or packages into the Annual Meeting.

The Annual Meeting is expected to begin promptly at 9:30 a.m. Eastern Standard Time. Check-in will begin at 9:00 a.m., Eastern Standard Time, and you should allow time for the check-in procedures.

**PROPOSAL 1:
ELECTION OF DIRECTORS**

The Board of Directors currently consists of 9 seats, the members being George R. Brokaw, Greg Eisner, Katherine R. English, Benjamin D. Fishman, John E. Kiernan, R. W. Andrew Krusen, Jr., Toby K. Purse, Adam H. Putnam and Henry R. Slack.

Upon recommendation of the Nominating and Corporate Governance Committee, the Board of Directors has nominated Mr. Brokaw, Mr. Eisner, Ms. English, Mr. Fishman, Mr. Kiernan, Mr. Krusen, Mr. Purse, Mr. Putnam and Mr. Slack for re-election as Directors to hold office for the ensuing year or until their respective successors are duly elected and qualified, unless they earlier resign or a vacancy is created due to the death or removal of any such Director or for other cause in accordance with the Amended and Restated Bylaws of the Company. Unless authority is specifically withheld on the attached form of proxy card, such proxy, if properly submitted, will be voted by management FOR the election of the nominees set forth above to serve as Directors. The proxy cannot be voted for a greater number of persons than 9. The Board of Directors has determined that all nominees are qualified to serve. All nominees have consented to being named in this Proxy Statement and have notified management that they will serve, if elected. Management knows of no reason why any of these nominees would be unable or unwilling to serve, but, if any of the nominees should be unable or unwilling to serve as a Director, the persons designated as proxies reserve full discretion to cast their votes for another person in his/her place.

In accordance with procedures established by the Nominating and Corporate Governance Committee, each of the nominees has tendered his or her contingent resignation to the Board of Directors. If any nominee does not receive a majority of the votes cast at the Annual Meeting, the Nominating and Corporate Governance Committee will make a recommendation to the Board of Directors on whether to accept or reject the resignation, or whether other action should be taken. The Board of Directors will act on the Nominating and Corporate Governance Committee's recommendation and publicly disclose its decision and the rationale behind it within 90 days from the date of the certification of the election results.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE ELECTION OF THE NOMINEES NAMED ABOVE FOR THEIR ELECTION AS DIRECTORS.

How Nominees Are Selected

Typically, Board of Directors vacancies are filled from nominees recommended by the Nominating and Governance Committee after considering nominees proposed by Directors or those who come to the attention of the Nominating and Governance Committee through their performance in areas of benefit to the Company. In addition, the Nominating and Governance Committee will accept for consideration the names of qualified nominees submitted by shareholders of the Company, including nomination proposals that comply with the Nominating and Governance Committee's formal policy with regard to shareholder nominations as described below in the section entitled "Committees of the Board of Directors; Nominating and Governance Committee." These processes are expected to remain the same for the foreseeable future.

Director Qualifications — The Nominating and Governance Committee determines the selection criteria of Director nominees based upon the Company's needs at the time nominees are considered. In evaluating Director candidates, the Nominating and Governance Committee will consider a candidate's:

- intellect;
- integrity;
- broad-based experience at the policy-making level in business, government, education or the public interest;
- analytical ability;
- ability to qualify as an Independent Director;
- ability and willingness to devote time and energy to effectively carry out all Director responsibilities; and
- unique qualifications, skills and experience.

The Nominating and Governance Committee also considers the diversity of Director candidates and seeks to enhance the overall diversity of the Board of Directors. The Nominating and Governance Committee also assesses each candidate's contribution to the diversity of the Board of Directors in a broader sense, including age, education, experience, skills and other qualifications.

The Nominating and Governance Committee recommends Director nominees to the Board of Directors to be submitted for election at the next Annual Meeting of Shareholders. The Board of Directors selects Director nominees based on its assessment and consideration of various factors. These factors include the current Board of Directors profile, the long-term interests of shareholders, the needs of the Company and the goal of creating an appropriate balance of knowledge, experience and diversity on the Board of Directors. The Audit Committee members

are selected based on their expertise and independence in accordance with current SEC and the Nasdaq Stock Market Rules (the “Nasdaq Rules”).

We believe that our Director nominees are well qualified under the criteria described above. Each Director nominee brings a variety of qualifications, skills, attributes and experience to the Board of Directors.

A common trait among our Director nominees is executive leadership experience. Such experience brings a variety of benefits, including an understanding of business management, various business functions and strategic planning. Other advantages of an executive leadership background include experience with policy-making, risk management and corporate governance matters.

The biographical information above identifies and highlights additional qualifications, skills, attributes and experience that each Director nominee brings to the Board of Directors.

Corporate Governance Matters

Directors Independence

To be considered independent under Nasdaq Rules, a Director may not be employed by Alico or engage in certain types of business dealings with Alico. In addition, as required by Nasdaq Rules, the Board of Directors is required to make an affirmative determination that the Director has no relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities as a Director.

The Board of Directors has determined that there are no material relationships between the Company and each of Mr. Fishman, Mr. Eisner, Ms. English, Mr. Krusen, Mr. Purse, and Mr. Putnam. Accordingly, Mr. Fishman, Mr. Eisner, Ms. English, Mr. Krusen, Mr. Purse, and Mr. Putnam qualify as, and are determined to be, independent in accordance with the Nasdaq Rules and the Sarbanes-Oxley Act of 2002.

It is the policy of the Board of Directors to have separate meetings for independent Directors (each an “Independent Director” and collectively the “Independent Directors”) at least twice a year and at other times as requested by an Independent Director. Each meeting shall be led by a chairman chosen pro tem by the Independent Directors. The Company met this requirement during the fiscal year ended September 30, 2021.

Board of Directors Leadership Structure and Role in Risk Oversight

The Board of Directors currently consists of 9 members and the positions of Chairman of the Board and Chief Executive Officer are held by separate people. Effective July 1, 2019, Mr. Fishman became the non-employee Executive Chairman of the Board. From December 31, 2016 to June

30, 2019, Mr. Slack served as the Company's Executive Chairman. The Board of Directors believes that the current separation of the non-employee Executive Chairman and Chief Executive Officer roles is appropriate for the Company because it separates the leadership of the Board of Directors from the duties of day-to-day leadership of the Company. This structure allows the Chief Executive Officer to focus his time and energy on managing and operating the Company while the non-employee Executive Chairman directs his attention to the broad strategic issues considered by the Board of Directors. The Board of Directors also believes that its Independent Directors provide strong leadership and complement the talents of our management team.

The Board of Directors has delegated certain duties with respect to risk oversight for the Company to the Audit Committee, which is composed solely of Independent Directors. Under the terms of the Board of Directors' Audit Committee Charter, the Audit Committee is charged with discussing with management our major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. The Audit Committee provides regular reports to the Board of Directors, and the Board of Directors considers risk assessment and risk management policies where appropriate.

Majority voting standard for election of directors

Under our Bylaws, in uncontested elections (that is, where the number of nominees does not exceed the number of directors to be elected), nominees for director must receive the affirmative vote of a majority of the votes cast in order to be elected to the Board of Directors. Any incumbent director who receives a greater number of votes "against/withheld from" the director's election than votes "for" is required to offer to submit his or her resignation to the Board of Directors following the shareholder vote. The Nominating and Corporate Governance Committee will consider and recommend to the Board of Directors whether to accept the resignation offer. The Board of Directors will act on such recommendation and publicly disclose its decision within 90 days following the shareholder vote. This process allows the Board of Directors the opportunity to identify and assess the reasons for the vote, including whether the vote is attributable to dissatisfaction with a director's overall performance or is the result of shareholder views on a particular issue.

Environmental, Social and Governance

Alico seeks not only to maximize value for its customers and shareholders, but also to enhance its legacy by employing sustainable practices in all critical aspects of operations including stewardship of both its natural and human resources. The Company recognizes the increased emphasis by shareholders, business partners and other key constituents in recent years on the

ability of businesses to integrate environmental, social and governance programs that are embedded into day-to-day business policies and practices.

Alico published its inaugural Sustainability Report in December 2021, and it is posted on our website at <http://www.alicoinc.com/sustainability>.

Environmental

Our environmental efforts are rooted in our sense of accountability for our actions, both to our stakeholders and society as a whole. We are committed to continuously improving the environmental sustainability of our business, to reducing the impact of our operations, and to using resources and materials thoughtfully. We continue to engage our associates, customers, suppliers, and other stakeholders in our environmental efforts.

Social Responsibility

At Alico, Inc., we recognize our responsibility to uphold the Company's founding values, which for more than 120 years, have always centered on working ethically, responsibly, and with integrity. We also look for ways to make a positive difference at work and in our communities.

Our Workplace

We believe the talent and dedication of the Alico team in the agriculture industry is second to none. This diverse work force of talented, dedicated employees is considered to be one of the Company's most valuable assets.

Some workplace highlights include:

- We foster a work environment that is safe, inclusive, respectful, and fair – and that allows people of different backgrounds, experiences, and perspectives to work together in efforts to reach common business and professional goals.
- The safety of our team members is a top priority.
- The Company's policies prohibit discrimination and harassment based on race, color, religion, age, sex, national origin, disability status, genetics, protected veteran status, sexual orientation, gender identity or expression, or any other characteristic protected by federal, state or local laws.
- We formed a Women's Council, led solely by our female senior managers, in order to provide female employees with a vehicle through which they can express their thoughts and ideas, participate in personal growth and professional development programs, and learn about career opportunities within the Company.
- We have invested in modular online educational programs to provide our employees with guidance and opportunities for improving their personal and professional development.

- We are successful because of our employees, and they share in that success, as we believe that we provide competitive compensation and benefits, with team members at all levels being eligible for rewards in the form of bonuses.

Sustainability

Corporate sustainability is often defined as meeting the needs of the present without compromising the ability of the future generations to meet their needs. At Alico, sustainability is a key element of our beliefs-our focus on sustainability shapes how we operate our company day to day. Alico has been in existence for generations and we are committed to managing the Company so that we can continue to be around for generations to come.

Alico's employees are dedicated to producing the highest quality oranges, primarily for use in making not-from-concentrate orange juice. Alico has a sharp focus on caring for its citrus trees and tending to the land so as to keep the land productive for generations to come. Alico's caretaking practices have been developed through decades of experience with a focus not only on today's production, but also on future production, while at the same time seeking to protect the environment.

We remain focused on sustainable farming programs. In cooperation with our largest customers, Alico periodically engages in a comprehensive sustainability study which addresses social, economic and environmental objectives. The studies have shown that we have continued to effectively address and make progress with respect to each of these areas. We also believe that our approximately 5.5 million existing citrus trees, of which 1.5 million have been planted over the last four years, provide invaluable environmental advantages, especially helping to mitigate global warming by absorbing carbon dioxide, removing and storing carbon, and releasing oxygen back into the air. Additionally, our 32,000 acres of pristine ranch land, which includes natural undisturbed wetlands, provides habitat for a variety of wildlife including several protected species.

Alico has a long history of working with state and local governments, as well as private organizations, in seeking to protect environmentally sensitive land.

The Executive Committee did not meet in fiscal year 2021.

Currently, the four members of the Nominating and Governance Committee are Katherine R. English (Chairman), Adam H. Putnam, Toby K. Purse and Henry R. Slack. The Board of Directors has determined that Ms. English, Mr. Purse and Mr. Putnam are independent under the Nasdaq Rules. With respect to Mr. Slack, the Board determined that, because of his long tenure as an Alico Board member and his knowledge of the governance history of the Company, and given that his position as Executive Chairman of the Board was of limited duration, that he stepped away from that position in July, 2019, and that he is expected to qualify as an independent director within just a few months, it was reasonable and in the best interests of the Company and the shareholders to make a limited exception and allow Mr. Slack to serve on the Nominating and Governance Committee. The Nominating and Governance Committee met two times during fiscal year 2021.

There were no fees or expenses paid to a third party in fiscal year 2021 for the identification or evaluation of potential Director nominees.

Subject to the foregoing, the criteria for consideration of shareholder recommendations are as follows: (a) for each Annual Meeting of the Company's shareholders, the Nominating and Governance Committee will accept for consideration only one recommendation from any shareholder or affiliated group of shareholders; (b) only candidates who satisfy the Company's minimum qualifications for Directors will be considered; and (c) in considering shareholder recommendations, the Nominating and Governance Committee will take into account, among other factors, the size and duration of the recommending shareholder's ownership interest in the Company and whether the shareholder intends to continue holding that interest through the Annual Meeting date.

Board of Directors Meetings

The Board of Directors met six times and took action by written consent three times during fiscal year 2021. Each Director attended all of the Board of Directors meetings and committee meetings held by all committees on which they served. It is the Company's policy to strongly encourage its Directors to attend the Annual Meeting of Shareholders, in addition to attendance at regular Board

of Directors and committee meetings. All of the members of the Board of Directors (who were members or director-nominees of the Board of Directors at the time of the 2021 Annual Meeting of shareholders) attended the 2021 Annual Meeting of Shareholders, either telephonically or in person.

DIRECTOR COMPENSATION

Director Fees

Under our director compensation arrangement that became effective on April 1, 2013, our Directors (including employee directors) receive an annual fee of \$75,000 in cash. No additional fees are payable for attendance at each Board of Directors meeting. For service as a standing committee chairman, Directors are paid an additional \$5,000 annually, with the exception of the chairman of the Audit Committee, who receives an additional total of \$10,000 annually and the Chairman of the Board, who receives an additional total of \$50,000 annually. In addition, during the time that the Executive Committee was a standing committee, the chairman of the Executive Committee, received an additional total of \$40,000 annually. All annual fees are payable on a quarterly basis.

Mr. Kiernan has waived any director compensation while he is employed as the Company's President and Chief Executive Officer.

Prior to the beginning of each calendar year, each Director may elect to receive all or any portion of his or her Director fees, including those received for chairing any committee, in the form of common stock with a market value at the time of such quarterly installment that, from January 1, 2020 through June 30, 2021, was equal to 125% of the amount of such fees otherwise payable in cash. Effective July 1, 2021, the Directors reduced this percentage to 100% of the amount of such fees otherwise payable in cash.

Additional Arrangements

The Company pays for or provides (or reimburses its Directors for out-of-pocket costs incurred for) transportation, hotel, food and other incidental expenses related to attending Board of Directors, committee or Company meetings, or participating in Director education programs and other Director orientation or educational meetings.

Compensation Discussion and Analysis

Introduction

This Compensation Discussion and Analysis discusses the compensation program provided to our NEOs in fiscal year 2021 and describes the compensation philosophy on which the fiscal year 2021 compensation was based.

In fiscal year 2021, our NEOs were:

- John E. Kiernan—President and Chief Executive Officer
- Richard Rallo, CPA—Senior Vice President, Chief Financial and Chief Accounting Officer and Corporate Secretary
- Danny Sutton—President of Citrus
- James Sampel—Chief Information Officer

The Company's compensation philosophy and program design is intended to support the Company's business strategy and align executives' interests with those of shareholders and employees. A significant portion of the Company's executive compensation opportunity is related to factors that influence shareholder value, including return on assets, long-term stock performance, and operational performance. The Company believes that as an executive's responsibilities increase, so should the proportion of his or her total pay composed of variable compensation and tied to long-term shareholder value creation.

Say on Pay Vote and Other Input from Shareholders

The Company implemented the Stock Incentive Plan of 2015 following approval by shareholders at the 2015 Annual Meeting of Shareholders. The plan includes a clawback provision and prohibits stock option repricing.

At the 2021 Annual Meeting of Shareholders, our shareholders expressed their support of our executive compensation philosophy and program by approving the non-binding advisory vote on our executive compensation. Approximately 89% of votes cast supported our executive compensation policies and practices. The Compensation Committee has reviewed and considered the results of this advisory shareholder vote as an endorsement of the Company's current executive compensation program. The Compensation Committee will continue to evaluate the executive compensation program, seeking to keep the program in line with the Company's short and long-term goals and to take shareholder feedback and the results of say-on-pay votes into consideration when making future compensation decisions.

Compensation Committee and Compensation Practices

The Compensation Committee regularly reviews best practices related to executive compensation to ensure consistency with the Company's compensation philosophy. Consistent with this

philosophy and taking into account business results, the following executive compensation practices were in place for fiscal year 2021:

- total compensation levels for executives were generally positioned at or below the median (50th percentile) of the market;
- a well-defined peer group of comparative companies and published surveys, coupled with input from prior year discussions with compensation consultants were used to provide a reference point in the evaluation of executive compensation;
- executives received modest perquisites; and
- historical share awards have generally been paid from treasury stock, subject to availability.

Executive Compensation Program and Philosophy

The intent of the Company's executive compensation program is to attract and retain talent and to create incentives for and reward excellent performance. To that end, we seek to compensate our executives in a manner that:

- is competitive;
- rewards performance that creates shareholder value and recognizes individual contributions; and
- encourages longer-term value creation.

Each year, the Compensation Committee reviews the Company's financial performance and evaluates each executive's role in influencing such performance to determine if, and to what extent, each NEO's individual contribution merited discretionary compensation. The Compensation Committee utilizes quantitative and qualitative factors, including the accomplishment of initiatives, attitude, and leadership, to assess performance, taking into account the financial condition of the Company and the contribution of the NEOs in the context of relevant conditions. Conditions may include many factors beyond the executive's control, such as weather, commodity prices, and strategic opportunities.

Compensation Consultants

The Compensation Committee makes recommendations to the Board of Directors for all aspects of executive compensation, including the structure and design of the compensation program. The Compensation Committee is responsible for retaining and terminating compensation consultants and determining the terms and conditions of their engagement. The Compensation Committee, from time to time, has engaged Semler Brossy Consulting Group, LLC ("Semler Brossy") to advise the Compensation Committee with respect to the Company's compensation program, and to perform various related studies and projects.

Semler Brossy interacts and reports directly to the Compensation Committee when engaged. Semler Brossy provides services only to the Compensation Committee as an independent consultant and does not have any other consulting engagements with, or provide any other services to, Alico. The independence of Semler Brossy has been assessed according to factors stipulated by the SEC and the Compensation Committee concluded that no conflict of interest exists that would prevent Semler Brossy from independently advising the Compensation Committee.

During fiscal year 2021, the Compensation Committee engaged Semler Brossy to advise on certain compensation matters with respect to executive officers.

Pay Mix

As noted above, the Compensation Committee believes that a significant portion of each executive's compensation opportunity should be composed of variable compensation and should be tied to value creation for shareholders. The Compensation Committee believes that this mix provides an appropriate balance between the fixed compensation required to attract and retain qualified individuals and the Compensation Committee's goal of ensuring that executive compensation rewards performance that benefits shareholders over the long term.

Base Salaries

Base salaries for the Company's NEOs are based on their scope of responsibilities, education and training levels, leadership abilities, performance and specialized skills. Determination of salaries is based on the Company's financial performance, overall financial condition, individual performance, and the current competitive market environment, and may include a review of the Company's peer group and other relevant data. Because the Compensation Committee wishes to incentivize executives with pay for performance, base salary levels of the Company are generally lower than the market median.

Annual Discretionary Cash Bonuses

The Company has an annual discretionary cash bonus program. The Compensation Committee works closely with the Chief Executive Officer and Chief Financial Officer to evaluate the Company's financial performance and overall financial condition to determine whether or not discretionary bonuses are to be paid for the particular fiscal year.

When the Compensation Committee determines that the interests of the Company and its shareholders would be served by the payment of discretionary bonuses, the Compensation Committee considers the individual performance of each executive and his or her role in influencing Company performance and the financial condition of the Company. In the case of NEOs other than the CEO, these evaluations are based in part on input from the Company's CEO

regarding each executive's performance. All Compensation Committee actions regarding the discretionary bonuses are subject to the review and approval of the Board of Directors.

Retirement Benefits

Executive officers are allowed to participate in the Company's tax-qualified 401(k) and Profit Sharing Plan offered to all full-time employees. Under the plan, the Company matches each participating employee's elected contribution to the plan with an employer contribution, but with such match not to exceed 4% of a participating employee's eligible compensation. In addition to the mandatory matching contribution, annual discretionary contributions, based on a percentage of salary determined at the Board of Directors' sole discretion, may be contributed by the Company pursuant to the qualified profit-sharing portion of the plan. There were no such discretionary contributions authorized in fiscal years 2021, 2020 or 2019.

Health and Welfare Benefits, Perquisites, and Other Fringe Benefits

The Company's executive officers receive health and insurance benefits, such as group medical and life insurance, under plans generally available to all salaried employees. Other fringe benefits consist of supplemental life insurance, Company-provided vehicles, and dividends paid on unvested stock where appropriate. The Company does not own a corporate jet or helicopter, nor does it pay for country club dues or other such perquisites.

Compensation Risk Assessment

From time to time, a comprehensive assessment is conducted to identify potential risks within the Company's compensation program. The Company does not use highly leveraged short-term incentives that could encourage short-term, high-risk strategies at the expense of long-term performance and value. Furthermore, the Compensation Committee is involved in making compensation decisions that are consistent with the Company's business strategy. The Company's compensation program promotes consistent annual performance by including weighting variable compensation so that it rewards executives for favorable operating and financial performance.

Employment Agreements

The Company entered into an employment agreement with Mr. Kiernan during fiscal year 2015 and entered into an employment agreement with Mr. Rallo on December 2, 2019. These employment agreements are intended to provide continuity and stability in the leadership of our organization, and generally provide for an annual base salary (subject to a specified minimum), a target annual bonus, grants of Company shares tied to long-term performance, severance upon a qualifying termination of employment, and restrictive covenants. The employment agreements are

described in further detail in “Executive Compensation-Employment Agreements with Named Executive Officers” below.

Indemnification Agreements

The Company has entered into Indemnification Agreements with each of its Named Executive Officers and Directors (each, an “Indemnified Party”). Pursuant to the terms of the agreements, the Company agreed to indemnify each Indemnified Party to the fullest extent permitted by applicable law, against all expenses, judgments, and fines incurred in connection with any legal proceeding brought against an Indemnified Party by reason of the fact that he or she is or was an officer or Director of the Company or by reason of any action taken by him or her while acting on behalf of the Company. The Company also agreed to maintain directors’ and officers’ liability insurance policies at existing coverage levels for as long as an Indemnified Party continues to serve as an officer or Director of the Company and for a period of six years thereafter.

Stock Ownership Guidelines for CEO and Directors

The Company believes that its CEO should have a financially significant investment in the Company so that his or her interest and the interest of the Company’s shareholders are aligned. In furtherance of this goal, in January 2013 the Board of Directors adopted a CEO Stock Purchase Policy requiring the CEO to beneficially own shares in the Company with a value equal to the higher of the market value or the price at which the CEO acquired the stock that is equal to or greater than \$250,000 or the lesser amount applicable to a phase-in period (the “Company CEO Target Stock Ownership Requirement”), determined as of the end of each fiscal year. During the phase-in period, the CEO who is phasing-in ownership must own, as of each measurement date (as described below) and at all times thereafter while he or she is the CEO of the Company, stock in the Company with a market value at least equal to or greater than the phase-in Company CEO Target Ownership Requirement as follows: The CEO must (i) have ownership of \$50,000 in Company common stock, at the end of the fiscal year during which the CEO is hired (the “first measurement date”), (ii) have ownership of \$150,000 in Company common stock at the end of the next fiscal year after the first measurement date, and (iii) have ownership of \$250,000 in Company common stock at the end of the second fiscal year after the first measurement date. Mr. Kiernan met the Company CEO Target Stock Ownership Requirement throughout fiscal year 2021 and is now subject to the fully phased in requirement.

In 2005, the Board of Directors adopted, and the Company’s shareholders approved, a Director stock purchase policy requiring that all Directors own Alico common stock with a market value (or cost, if higher) that is equal to or greater than \$200,000 or such lesser amount as is applicable to a phase-in period (the “Company Director Target Stock Ownership Requirement”). To provide Directors serving on the Board of Directors as of the date of the adoption of this policy and new

Directors who subsequently join the Board of Directors the opportunity to meet this requirement over a reasonable period of time, each such Director has three years to achieve the overall Company Director Target Stock Ownership Requirement. If the Director is elected to the Board of Directors at a time when there is less than four months remaining in the fiscal year, then the three-year period for overall compliance with the Company Director Target Stock Ownership Requirement would be extended until two years following the end of the next full fiscal year. The Company Director Target Stock Ownership Requirement is measured at the end of the phase-in period and annually thereafter at the end of each fiscal year. Each of the Directors met the applicable Company Director Target Stock Ownership Requirement throughout fiscal year 2021.

Incentive Stock Option Grants

Incentive stock option grants (“ISO Grants”) of 118,000 options to certain executive officers, officers and managers were granted on October 11, 2019. The option exercise price for these options was set at \$33.96, the closing price on October 11, 2019. These ISO Grants will vest as follows: (i) 25% of the options will vest if the price of the Company’s common stock during a consecutive 20-trading day period exceeds \$35.00; (ii) 25% of the options will vest if the price of the Company’s common stock during a consecutive 20-trading day period exceeds \$40.00; (iii) 25% of the options will vest if the price of the Company’s common stock during a consecutive 20-trading day period exceeds \$45.00; and (iv) 25% of the options will vest if the price of the Company’s common stock during a consecutive 20-trading day period exceeds \$50.00. If the applicable stock price hurdles have not been achieved by (A) the date that is 18 months following the termination of employment, if the employment is terminated due to death or disability, (B) the date that is 12 months following the termination of employment, if the employment is terminated by the Company without cause, with good reason, or due to the retirement, or (C) the date of the termination of the employment for any other reason, then any unvested options will be forfeited. In addition, if the applicable stock price hurdles have not been achieved by December 31, 2022 then any unvested options will be forfeited. The ISO Grants will also become vested to the extent that the applicable stock price hurdles are satisfied in connection with a change in control of the Company. During the fiscal year ended September 30, 2021, the stock did not trade above \$40.00 per share for twenty consecutive days (the \$35.00 per share threshold was met during fiscal year 2020 and thus 25% was previously vested); accordingly, no additional amounts of the ISO Grants had vested at September 30, 2021.

Tax Impact on Compensation

Section 162(m) of the Internal Revenue Code (the “Code”) places a \$1 million limit on the amount of compensation the Company may deduct for tax purposes in any year with respect to each NEO, exclusive of certain legacy performance-based compensation that meets applicable requirements. However, the Tax Cuts and Jobs Act of 2017 (“Tax Act”) generally eliminated the ability to deduct

compensation qualifying for the “performance-based compensation” exception under Code Section 162(m) for tax years commencing after December 31, 2017.

In particular, Code Section 162(m) imposes a \$1 million limit on the amount that a public company may deduct for compensation paid to anyone who has ever been the Company’s chief executive officer, chief financial officer or one of the three highest compensated officers in any fiscal year beginning after December 31, 2016 (i.e., a “covered employee”). For the Company’s fiscal year 2018 and prior taxable years, an exception to this deduction limit applied to “performance-based compensation,” such as stock options and other equity awards that satisfied certain criteria. Under the Tax Act, the performance-based pay exception to Code Section 162(m) was eliminated, but a transition rule may allow the exception to continue to apply to certain performance-based compensation payable under written binding contracts that were in effect on November 2, 2017.

The Compensation Committee considers the deductibility of compensation when designing the Company’s executive compensation program; however, there can be no assurance that all compensation, if and when any is paid to any NEO, will ultimately prove to be deductible to the Company under the Code and applicable U.S. Treasury Regulations. Further, when considered warranted based on competitive or other factors, the Compensation Committee may decide to exceed the deductibility limit under Section 162(m) of the Code or to otherwise pay nondeductible compensation.

Subsequent Developments

On October 15, 2021 and November 5, 2021, respectively, the Company awarded 2,500 and 2,224 restricted shares of the Company’s common stock to certain executives and senior managers under the 2015 Plan at a weighted average fair value of \$35.77 per common share, with 2,500 of the shares having vested on January 1, 2022 and the remaining shares vesting on January 1, 2023.

The following table provides information regarding the compensation of our NEOs for fiscal years 2021, 2020 and 2019. Employment Agreements with Named Executive Officers

On June 1, 2015, the Company entered into an employment agreement with John E. Kiernan, which provided for (i) an annual initial base salary of \$325,000 (subject to increases from time to time as determined by the Company), (ii) a target annual bonus equal to 50% of his annual base salary and (iii) an initial equity award grant of 4,000 restricted shares of the Company's common stock that vests in equal installments on each of the first three anniversaries of the grant date (the "Kiernan Sign-On Grant") and an additional equity award grant of 4,000 restricted shares of the Company's common stock that vests in full on the fifth anniversary of the grant date (the "Kiernan Additional Grant"), in each case subject to continued employment.

On November 27, 2017, Mr. Kiernan received a grant of 5,000 additional restricted shares of the Company's common stock that vests in equal annual installments over three years, with the first set of shares having vested on June 1, 2018, the second set of shares having vested on June 1, 2019, and the remainder having vested on June 1, 2021.

Mr. Kiernan's employment agreement also includes various restrictive covenants in favor of the Company, including a confidentiality covenant, a nondisparagement covenant, and 12-month post-termination noncompetition and customer and employee nonsolicitation covenants.

Richard Rallo

On December 2, 2019, the Company entered into a new employment agreement (the "Rallo Employment Agreement") with Richard Rallo relating to Mr. Rallo's employment as the Company's Chief Financial Officer. The Rallo Employment Agreement provides for an annual base salary of \$275,000 (subject to increases from time to time as determined by the Company). Mr. Rallo is eligible for an annual incentive compensation award with an annual target opportunity in an amount equal to 40% of his annual base salary.

The Rallo Employment Agreement also provides that, if Mr. Rallo's employment is terminated by the Company without "cause" or Mr. Rallo resigns with "good reason" (as each such term is defined in the Rallo Employment Agreement), then, subject to his execution, delivery, and non-revocation of a general release of claims in favor of the Company, Mr. Rallo will be entitled to (i) cash severance in an amount equal to 12 months of the annual base salary, (ii) the Accrued Obligations (as defined in the Rallo Employment Agreement) in a cash lump sum within 30 days after the date of termination, (iii) any rights or payments that are vested benefits or that Mr. Rallo is otherwise entitled to receive at or subsequent to the date of termination under any employee benefit plan or any other contract or agreement with the Company, and (iv) any Annual Bonus (as defined in the Rallo Employment Agreement) that has been earned but not paid as of the date of termination.

The Rallo Employment Agreement includes various restrictive covenants in favor of the Company, including a confidentiality covenant, a non-disparagement covenant, and 12-month post-termination noncompetition and customer and employee non-solicitation covenants.

In addition to his position as Chief Financial Officer, Mr. Rallo continues to serve as the Senior Vice President, Chief Accounting Officer, and Corporate Secretary of the Company.

On November 15, 2017, the Company entered into an employment offer letter (the “Sutton Offer Letter”) with Mr. Sutton primarily addressing his compensation. The Sutton Offer Letter provided for Mr. Sutton to receive an initial annual base salary \$225,000 (currently \$275,000) and to be eligible for discretionary annual performance bonuses of up to 40% of his annual salary. Mr. Sutton’s employment with the Company is at-will.

The Sutton Offer Letter also provides that, if Mr. Sutton’s employment is terminated by the Company without “cause,” then, subject to his execution, delivery, and non-revocation of a general release of claims in favor of the Company, Mr. Sutton will be entitled to (i) cash severance, payable in weekly installments, in an amount equal to 26 weeks of the annual base salary if such termination occurs prior to December 31, 2019, (ii) cash severance, payable in weekly installments, in an amount equal to 52 weeks of the annual base salary if such termination occurs prior to December 31, 2020, but subsequent to December 31, 2019, and (iii) cash severance, payable in weekly installments, in an amount equal to 78 weeks of the annual base salary if such termination occurs subsequent to December 31, 2020.

Pension Benefits

Management Security Plan

The management security plan (“MSP”), which has now been terminated and fully paid out, was a nonqualified, noncontributory defined benefit retirement plan for a select group of management personnel. Had the plan not been terminated and had benefits not been paid out in a lump sum, the MSP would have provided a fixed supplemental retirement benefit for 180 months certain. The MSP was frozen on September 30, 2017 and was terminated on September 30, 2019. In August 2020, a lump sum payout was made to the MSP participants. Mr. Sutton, who was a participant in the MSP, was paid \$203,000 as a lump sum termination payout from the MSP. None of our other NEOs were participants in the MSP.

Nonqualified Deferred Compensation

None of our NEOs participate in any nonqualified defined contribution plan.

CEO Compensation Pay Ratio

In August 2015, pursuant to a mandate of the Dodd-Frank Wall Street Reform and Consumer Protection Act, the SEC adopted a rule requiring annual disclosure of the ratio of the median employee's annual total compensation to the total annual compensation of the CEO. We believe that executive pay should be internally consistent and equitable to motivate our employees to create shareholder value. The annual total compensation for fiscal year 2021 for Mr. Kiernan, our current President and CEO, was \$796,127 as reported under the heading "Summary Compensation Table". Our median employee's total compensation for fiscal year 2021 was \$38,215. As a result, we estimate that Mr. Kiernan's fiscal year 2021 total compensation was approximately 21 times that of our median employee.

Our CEO to median employee pay ratio was calculated in accordance with Item 402(u) of Regulation S-K. We identified the median employee by examining fiscal year 2021 total compensation consisting of base salary, annual bonus amounts, stock-based compensation (based on the grant date fair value of awards during fiscal year 2021) and other incentive payments for all full-time, part-time, seasonal and hourly employees who were employed by the Company on September 30, 2021, other than our CEO. After identifying the median employee based on fiscal year 2021 total compensation, we calculated annual total compensation for such median employee using the same methodology we use for our named executive officers as set forth in the "Total" column in the Summary Compensation Table.

The pay ratio reported above is a reasonable estimate calculated in a manner consistent with SEC rules, based on our internal records and the methodology described above. The SEC rules for identifying the median employee allow companies to adopt a variety of methodologies, to apply certain exclusions and to make reasonable estimates and assumptions that reflect their employee populations and compensation practices. Accordingly, the pay ratio reported by other companies may not be comparable to the pay ratio reported above, as other companies have different employee populations and compensation practices and may use different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios.

Anti-Hedging / Anti-Pledging Policy

The Company's insider trading policy and procedures discourages any director, executive officer or other employee, from purchasing any financial instruments that are designed to hedge or offset any decrease in the market value of equity securities of the Company in any way that allows the director or employee to continue to own the covered securities, but without the full risks and

rewards of ownership. The Company requires that any person wishing to enter into such an arrangement must first pre-clear the proposed transaction with the Chairman of the Board or President and Chief Executive Officer, which request for pre-clearance of a hedging or similar arrangement must be submitted to the Chairman of the Board or President and Chief Executive Officer at least two weeks prior to the proposed execution of documents evidencing the proposed transaction and must set forth a justification for the proposed transaction.

Similarly, directors, officers and other Company employees are prohibited from holding Company securities in a margin account or pledging Company securities as collateral for a loan. An exception to the Company's prohibition on margin accounts and pledging may be granted where a person wishes to pledge Company securities as collateral for a loan (not including margin debt) and clearly demonstrates the financial capacity to repay the loan without resort to the pledged securities. The Company requires that any person who wishes to pledge Company securities as collateral for a loan must submit a request for approval to the Chairman of the Board or President and Chief Executive Officer at least two weeks prior to the proposed execution of documents evidencing the proposed transaction.

Certain Relationships and Related Party Transactions

Alico may engage in a transaction or series of transactions with our Directors, executive officers and certain persons related to them. All such transactions are subject to approval or ratification in accordance with a written related person transaction policy adopted by the Board of Directors. This policy defines a "related person" as: (1) any person who is, or at any time since the beginning of Alico's last fiscal year was, a Director or executive officer of Alico or a nominee to become a Director of Alico; (2) any person who is known to be the beneficial owner of more than 5% of any class of Alico's voting securities; (3) any immediate family member of any of the foregoing persons, and any person (other than domestic employees or tenant) sharing the household of such person; and (4) any firm, corporation or other entity in which any of the foregoing persons is employed or is a partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest. This policy defines a "related person transaction" as a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) that occurred since the beginning of Alico's most recent fiscal year in which (1) Alico was, is or will be a participant, (2) the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year; and (3) any related person had, has or will have a direct or indirect material interest.

Under Alico's policy, all related person transactions are to be approved by the Audit Committee or an ad hoc subcommittee composed of independent directors (including at least one audit committee financial expert) in certain circumstances. In reviewing related person transactions, the Audit Committee or ad hoc subcommittee will consider all relevant material facts and

circumstances available to it, including the benefits of the transaction to Alico, the nature and extent of the related person interest, the impact on any interested Director's independence and judgment to act in the best interests of Alico and whether the transaction is on terms no less favorable than those generally available to an unaffiliated third party under similar circumstances.

Related Party Transactions

On January 1, 2022, Mr. Kiernan, the Company's President and CEO, entered into a Hunting Lease Agreement and Real Estate Purchase and Sale Option Agreement, with the Company (the "Kiernan Lease Agreement"). Under the Kiernan Lease Agreement, the Company is leasing approximately 93 acres of Company owned, largely unimproved land (the "Land") to Mr. Kiernan for a three-year term commencing on January 1, 2022, and ending on January 1, 2025, and with a yearly rent of \$1,860.00. Additionally, under the terms of the Kiernan Lease Agreement, the Company has granted to Mr. Kiernan an option to purchase the Land from the Company, exercisable only during the one-year period January 1, 2022 through January 1, 2023, and at a price of \$480,000.90 (\$5,161.30 per acre), which price is based on an independent appraisal obtained by the Company and dated as of November 11, 2021. The Kiernan Lease Agreement was approved in accordance with the Company's related person transaction policy by an ad hoc subcommittee comprised of all independent directors (including at least one audit committee financial expert) after considering all relevant material facts and circumstances and after determining, based on such facts and circumstances, that the terms of the Kiernan Lease Agreement were comparable to terms the Company could have obtained in arm's-length dealings with unrelated third parties.

Additionally, the following related person transactions were pre-approved under the Company's policy, subject to certain limitations: (1) employment of executive officers if compensation is required to be reported in Alico's Annual Report on Form 10-K or Alico's proxy statement or if the officer is not an immediate family member of a related person and the compensation was approved or recommended for approval by the Compensation Committee; (2) Director compensation or reimbursement and reimbursement of expenses in connection with such service if consistent with a Board of Directors-approved compensation of reimbursement policy; (3) reimbursement of employee expenses if consistent with a Board of Directors-approved reimbursement policy; (4) transactions where the related person's interest arises solely from owning Alico common stock and all holders of Alico common stock receive the same benefit on a pro rata basis; (5) transactions available to all Alico employees generally; (6) charitable contributions, grants or endowments to an organization where the related person is an employee or director (but not an executive officer) if the aggregate amount does not exceed the lesser of \$200,000 or 2% of the organization's total annual receipts, expenditure or assets; and (7) transactions previously approved by the Audit Committee prior to the adoption of the policy.

Nasdaq Rule 5250(B)(3) Agreements Arrangements

The Company is also required by Rule 5250(b)(3) of the Nasdaq Rules to disclose all agreements and arrangements between any director or nominee for director, and any person or entity other than the Company, relating to compensation or other payment in connection with such person's candidacy or service as a director of the Company. The Company is not aware of any such agreements.
